Sir,

Planning and Development- Second five year plan- preparation of District and Village plans- South Kanara District-Special staff- extension of sanction- report submitted.

Ref: 1.G.O.Ms.No.1894 Public (P & D)Dept. dated 26.3.56.
2.G.O.Ms.No.2163 Public (P & D)Dept. dated 10.7.56.

DEPUTY SECRETARY TO GOVERNMENT
1624
16 JUL1956
PLANNING AND DEVELOPMENT DEPARTMENT

In their orders cited, the Government were pleased to accord sanction for the continuance of the following special staff sanctioned for the preparation of village and District plans in this district up to the dates noted against each post.

NAME OF POST.	NO. OF POSTS.	DATE UP TO WHICH THE CONTINUANCE IS SANCTIONED.
1.Special Tahsildar	1	31.7.56
2.Upper Division clerk	1	31.7.56
3.Lower Division clerk	1	31.7.56
4.Peons	2	31.7.56
5.Deputy Tahsildars	2	15.7.56
6.Revenue Inspectors	3	15.7.56
7.Peons	2	15.7.56
8.Revenue Inspectors.	9	30.6.56

The posts of the 9 Revenue Inspectors have already been terminated on 30.6.56 with the completion of Area plans relating to their areas.

2. The Area Plans and the plans of National Extension Service, Community Development and Community Project blocks were received only in the 1st week of this month after approval by the respective committees. As the first session of the District Planning Board was scheduled to be held on 12.7.56 for considering the District plan, the services of the subordinate special staff are being utilised to assist my office staff in consolidating the area plans into a district plan. The last sitting of the District Planning Board as programmes now will be on 18.7.56 and from the trend of discussions going on at the meeting, it may be necessary to have two additional sittings to complete the discussions on all the

subjects and a last sitting after some interval to finally approve the plans in their complete forms. It is quite essential that the special staff mentioned above who are responsible for drawing up the Area plans should be present at the meetings of the District Planning Board.

3. Besides, it is found from the Area plans that they contain a large number of proposals under each category, and that there is no uniformity in the nature of mode of financial assistance sought for. In respect of certain major works and schemes the District heads of certain departments have been addressed to offer their remarks on their feasibility and their reports have not been received. It is likely to take some time to get their reports and finalise the district plan. The District Planning Board also is suggesting some new schemes and works which require some preliminary investigation, in addition to alterations to the schemes and works already proposed by the Planning Area Committees. The revision of the detailed list of works and schemes in the area plans as per resolutions of the District Planning Board, investigation into works and schemes proposed by the District planning Board, preparation of statements showing correct financial implications and drafting of the final district plan etc involve a lot of work for the special staff necessitating their further retention. In view of the magnitude of the work involved I am unable to disband the special staff after the period of their present sanction. I am therefore retaining them beyond the period of their present sanction in anticipation of approval by the Government. I request that my action may kindly be approved.

4. The work ahead cannot be correctly guaged at present, before the views of the District Planning Board are known. However the work detailed in the preceding paragraph will engage the existing special staff at least for one month, after the district Planning Board completes the discussions on all the subjects. As the District planning Board is likely to discuss the plans till the end of this month, the retention of the existing special staff till the end of August 1956 will be necessary to attend to the rest of the work. I therefore request that the Government may be pleased to accord sanction for the continuance of the following staff employed in this district for the preparation of the village and District Plans till

31.8.56 or till the necessity for their employment ceases, whichever is earlier.

1) Special Tahsildar	1	
2) Special Dy.Tahsildars	2	
3) Upper Division clerk	1	X
4) Lower Division clerk	1	
5) Special Revenue Inspectors	3	
6) Peons	4	

All efforts will be made to complete the work earlier and as soon as the necessity for any of the above posts ceases it will be abolished without waiting for expiry of the period of sanction now applied for.

I request early orders.

Yours faithfully,

For Collector.
